Step 3: Choose to take TOEFL iBT at a Test Center or Online (Select a date and time)

The screenshot shows the TOEFL registration interface. On the left is a dark blue sidebar with navigation links: REGISTER FOR A TEST, BUY TEST PREP, VIEW TESTREADY, MY TESTS, MY SCORES, MY ORDERS, ACCOMMODATIONS, and CONTACT. The main content area has a header with the TOEFL logo and a shopping cart icon with a red '1' badge, and a 'MY ACCOUNT' link. Below the header, there's a 'Display' dropdown set to 'All test options'. Underneath are radio buttons for 'Test Center', 'Online', and 'Selected Date' (which is selected). A calendar for February 2025 is shown, with the 19th highlighted. To the right, the date 'February 19, 2025 - Wednesday' is displayed. Below this is a toggle for 'Test Center' (selected) and 'Online'. The 'Test Center Appointments' section shows 'United Arab Emirates University' as the location, with a distance of 72.46 miles. The price is listed as '\$340 USD'. There is a 'Directions' link and an 'Available times' section with a button for '10:00 AM'. At the bottom right of the appointments section is a link that says 'Show More Test Centers'.

Step 4: Add your Agent Code (If your agent has provided you with one)

The screenshot shows the 'Your Test Appointments' page. The sidebar is the same as in Step 3. The main content area has a header with 'TOEFL' and a shopping cart icon with a red '1' badge, and a 'MY ACCOUNT' link. Below the header, there's a 'Test 1' section with the following details: TOEFL iBT | Test Center, February 19, 2025 - Wednesday, 10:00 AM, United Arab Emirates University, Islamic Institute Campus 2nd Floor Wing C, Al Ain, United Arab Emirates, and \$340.00 USD. Below this is a toggle for 'Would you like to have your paper score report mailed to you?' which is currently turned off. There is a text input field for 'Agent Code (Optional)'. At the bottom of the main content area are two buttons: 'CONTINUE TO CART →' and '← BACK TO CALENDAR'.

Step 5: Add your Voucher/ Discount Code in the Order Summary
